

Valsamoggia – Bazzano, 24<sup>th</sup> February 2020

TO ALL OUR PARTNERS

*This public notice is in relation to the recent developments of the Corona Virus in Northern Italy.*

MP3 is continuously supervising the development of the situation of the Corona Virus which has affected some territories of Northern Italy – far more than 200 km from our factory.

In this sense, we immediately arranged a series of activities in order to be able to satisfy the continuity of our supplies to your company.

In addition to accepting and respecting carefully all the precautionary measures, indicated by the Italian Ministry of Health, we have intensified the health safety measures already operative in the company, in relation to the BRC certification (we remind you that our company has been certified with the maximum recognition AA).

We are also following the commercial and logistical effects with the utmost attention, but we want to reassure you by indicating that we have no suppliers with registered office or production plants in the municipalities affected by the epidemiological event, therefore at the moment no issues are expected in supply times.

We appreciate our business relationship and will keep you updated in case of significant changes in the situation.

For any further information you can always contact the Area Manager who works with you and / or our quality department Mr. Biseuil Cedric 0039 051 6715988; e-mail [cbiseuil@ilpa-mp3.com](mailto:cbiseuil@ilpa-mp3.com) in Italian, French and English.

We thank you in advance for your understanding, we will always work with the intention of being and remaining your supplier and reference partner.

GENERAL DIRECTOR  
MARCELLO GARAGNANI
